PROFESSIONAL SUMMARY

AI Engineer at eMedicalPractice with a B.Tech in CSE (Artificial Intelligence & Machine Learning).
Specializing in Python, Machine Learning, Natural Language Processing, LLMs, and practical AI applications.

PROFESSIONAL EXPERIENCE

AI ENGINEER | eMedicalPractice **Aug 2026 - Present**

- Contributing to the development and application of AI-driven clinical solutions.
- Developing NLP and Generative AI workflows to process unstructured healthcare records.

MACHINE LEARNING INTERN | Skilltimate Technologies **May 2024**

- Built and optimized machine-learning models for predictive analytics, NLP, and image processing.
- Used Python, TensorFlow, Scikit-learn, and Pandas for data preprocessing and evaluation.

EDUCATION

B.Tech in Computer Science Engineering (AI & ML) | 2022 - 2026 | CGPA: 7.5/10
Malla Reddy Engineering College, Hyderabad

Intermediate - MPC | Sri Chaitanya Junior College, Hyderabad | 2020 - 2022 | Score: 936/1000

CERTIFICATIONS & ACTIVITIES

- Microsoft & LinkedIn Career Essentials in Generative AI (2024)
- Cisco CCNA Networking Fundamentals (2025)
- Microsoft Azure AI Fundamentals (2025)
- Inter-college Project Expo | TechTickle Hackathon
